Student Code of Conduct

The Dental Assistants Professional Association (DAPA) is committed to be a leading provider of education and advocacy for Dental Assistants by helping individuals to maximise their potential through the provision of high quality education and training by leading industry professionals. The principles that students – of both accredited and non-accredited courses – must at all times demonstrate the following:

- **Personal and professional integrity**
- **Respect for others**
- **Accept responsibility for the contributions to their learning as a Dental Assistant**

In keeping with the qualities of a professional health care worker and the ethics and policy of the Dental Assistants Professional Association, all DAPA students have a responsibility to:

- Follow all DAPA policies and guidelines and expectations of all relevant government regulatory bodies including WHS and equal opportunity legislation
- Approach their study with diligence and enthusiasm
- Follow the policies, procedures and guidelines that relate to their place of work
- Complete all assessment tasks in the specified time frame as required in the course
- Treat all DAPA staff and other students with fairness, dignity and respect
- Notify DAPA of any special requirements at the commencement of study, or as soon as the student identifies a need to assist them in their study so that appropriate support can be provided
- Discrimination, bullying and harassment in any form will not be tolerated
- Students must always act honestly and with integrity. Cheating, plagiarism, fraudulent or misleading behaviour will not be tolerated.
